

HSM shredstar X15 - 4 x 37 mm + sep. CD cutting unit

HSM shredstar X15 document shredder

The top model on castors of the HSM shredstar line. Quiet and powerful, it provides for more data security in the workplace thanks to the particle cut and also has an anti-paper jam function. It can be used by up to five people.

Product information

CDs and DVDs, credit cards and loyalty cards can be easily shredded through the separate CD cutting unit. In the separate CD waste container, the shredded material is separated and is therefore already sorted for disposal.

The full bin is indicated via the display and the machine switches off automatically.

The waste container can be easily removed and emptied.

The automatic reverse eliminates paper jams and ensures a smooth operation.
